BEVERAGES & DRINKS

Mint Strawberry Coconut Cooler

INGREDIENTS

Fresh coconut water, hulled strawberries, fresh mint leaves, lemon juice, black salt.

METHOD

Combine coconut water, strawberries, mint, and lemon juice in a blender. Blend until smooth and season with black salt. Serve chilled.

Green Smoothie (Green Goddess)

INGREDIENTS

Avocado, spinach, kale, zucchini, cucumber, peeled celery stems, fresh basil, lemon juice, salt, black pepper. Optional: broccoli florets, romaine/iceberg lettuce, fresh ginger.

METHOD

Process avocado (and broccoli if using) with a splash of water to form a base. Add spinach, celery, lettuce, and basil. Squeeze in lemon juice and season. Blend to a medium-thick consistency. Do not strain; serve as-is to preserve fibre.

Mango Strawberry Smoothie

INGREDIENTS

2 cups fresh mango pulp (Alphonso preferred), 1 cup hulled strawberries, 1/2 cup chilled almond milk, pinch of black salt.

METHOD

Place all ingredients in a high-speed blender. Process until completely silky. Adjust sweetness with a touch of maple syrup if needed. Serve immediately in chilled glasses.

Warm Saffron Almond Milk

INGREDIENTS

Almond milk, jaggery, crushed cardamom pods, saffron strands, pinch of dry ginger powder, tiny pinch of salt.

METHOD

Gently heat almond milk in a saucepan. Whisk in jaggery. Add crushed cardamom, saffron strands, and dry ginger. Finish with a tiny pinch of salt to balance. Serve warm.

Musk Melon & Tender Coconut Cream

INGREDIENTS

Fresh musk melon, thick tender coconut cream, black salt, black pepper.

METHOD

Blend musk melon into a smooth puree. Stir in thick tender coconut cream. Season with black salt and black pepper. Serve chilled.

Kairi Ka Pana (Raw Mango Cooler)

INGREDIENTS

Raw mango (kairi), black salt, regular salt, black pepper, roasted cumin (jeera) powder, fresh mint (pudina).

METHOD

Steam or boil raw mangoes until the pulp is soft. Extract pulp and blend with fresh mint. Dilute with water and season with black salt, salt, pepper, and roasted cumin powder. Serve chilled.

Moscow Mule Mocktail

INGREDIENTS

Fresh lemon juice, rosemary sprigs, bitter gourd (thinly sliced or juiced), fresh mint, rock salt, crushed black pepper, carbonated or still water.

METHOD

Muddle mint leaves and rosemary with lemon juice. Add thin slices (or a few drops of juice) of bitter gourd. Top with chilled water. Season with rock salt and crushed pepper. Garnish with a rosemary sprig.

Frozen Margarita (Arugula & Gooseberry)

INGREDIENTS

Arugula, celery stems, fresh gooseberries (amla), lime juice, crushed black pepper, beetroot sea salt.

METHOD

De-seed the gooseberries. In a high-speed blender, combine gooseberries, arugula, and chopped celery with lime juice. Add ice and blend to a slushy consistency. Serve in a glass rimmed with beetroot sea salt and a dash of pepper.

Sunrise Juice

INGREDIENTS

Carrot, orange, beetroot, ginger, lime juice.

METHOD

Extract juice from carrots and beetroot. Whisk in fresh orange juice and lime juice. Stir in finely grated ginger juice. Serve chilled.

Coconut Berry Smoothie

INGREDIENTS

Coconut milk, assorted fresh berries, jaggery or dates to sweeten.

METHOD

Blend coconut milk with berries and sweetener until smooth. Serve chilled.

Lemon Basil Cooler

INGREDIENTS

Fresh lemon juice, fresh basil leaves, water, jaggery or maple syrup.

METHOD

Muddle basil leaves in a pitcher to release oils. Add cold water and lemon juice. Stir in sweetener until dissolved. Serve chilled with a sprig of fresh basil.

Salty Mojito

INGREDIENTS

Carbonated water, lime juice, fresh mint leaves, a significant pinch of salt.

METHOD

Combine all ingredients in a glass. Stir gently. Serve immediately over ice.

Decaffeinated Almond Latte

INGREDIENTS

Organic decaffeinated coffee, 1 cup almond milk, coconut sugar or date sugar (optional).

METHOD

Brew decaf coffee to preferred strength. For hot: steam almond milk until frothy and pour over coffee. For cold: pour chilled almond milk over coffee and ice. Serve with sweetener on the side.

BREAKFAST

GF Oatmeal in Almond Milk

INGREDIENTS

1 cup certified GF steel-cut or rolled oats, 2.5 cups almond milk, pinch of salt, 1/2 tsp cinnamon.

METHOD

Bring almond milk to a gentle simmer. Stir in oats and salt. Reduce heat and cook, stirring occasionally, until oats have absorbed the milk and reached a creamy consistency. Stir in cinnamon before removing from heat.

Sweet GF Vegan Pancakes with Macerated Berries

INGREDIENTS

1 cup GF all-purpose flour, 1 tbsp coconut sugar, 1 tsp baking powder, pinch of salt, 1 cup almond milk, 1 tbsp melted coconut oil. Berries: 1 cup mixed berries, 1 tbsp maple syrup or coconut sugar.

METHOD

Whisk flour, coconut sugar, baking powder, and salt. Add almond milk and coconut oil; mix until smooth. Cook on a non-stick griddle flipping once. For berries: combine berries with sweetener and let sit 15 minutes. Serve pancakes topped with macerated berries and their syrup.

Savoury GF Vegan Pancakes with Kale & Pepper

INGREDIENTS

1 cup chickpea flour (besan), 3/4 cup water, 1/2 cup finely chopped kale, 1/4 cup diced bell pepper, salt, black pepper. Dipping sauce: 2 green chilies, handful of cilantro, lemon juice, pinch of salt.

METHOD

INGREDIENTS

Tinda (apple gourd), roasted almonds, makhana (fox nuts), fresh coriander, green chili, curry leaves, salt, regular masala, ghee.

METHOD

Peel tindas and scoop out the center. Grind roasted almonds and makhana with coriander, green chili, and curry leaves. Mix with salt and masala. Fill tindas. Slow-cook in a covered pan with a dash of ghee until tender.

Vegan Kadhi (Lemon-Based)

INGREDIENTS

Chickpea flour (besan), water, lemon juice, curry leaves (kadhi patta), turmeric, salt.

METHOD

Whisk besan and water into a smooth, lump-free slurry. Simmer on low heat, stirring constantly, until it thickens. Add lemon juice for tang instead of yogurt. Temper with curry leaves and salt.

Spinach Vegan Kadhi

INGREDIENTS

Besan (chickpea flour), water, turmeric, salt, fresh chopped spinach.

METHOD

Create a base of whisked besan and water seasoned with turmeric and salt. Simmer until thickened, then fold in fresh chopped spinach.

Sukto (Bengali Bitter-Sweet Curry)

INGREDIENTS

Bitter gourd (karela), raw banana, papaya, drumsticks, poppy seed paste, ginger (powder or fresh), ghee.

METHOD

Sauté bitter gourd separately until crisp. In a separate pot, sauté remaining vegetables in ghee. Add thin poppy seed paste and water; simmer until vegetables are tender. Add fried bitter gourd at the end. The gravy should be light and aromatic.

Thai Green Vegetable Curry

INGREDIENTS

Coconut milk, Thai green curry paste (no shrimp paste/garlic/onion), zucchini, bell peppers, green beans, broccoli, salt. Served with red rice.

METHOD

Simmer a small amount of coconut milk in a wok until the oil separates. Stir in curry paste and cook until aromatic. Add remaining coconut milk and bring to a simmer. Add vegetables; cook until tender. Season with salt. Serve with red rice.

Millet Vegetable Khichdi

INGREDIENTS

Barnyard or foxtail millet (soaked 30 mins), mixed vegetables (beans, carrots, peas), cumin seeds, turmeric, ghee, salt.

METHOD

Heat ghee; add cumin seeds. Add vegetables and sauté. Stir in millets, turmeric, and salt. Add 3 parts water to 1 part millet. Cook until millets are soft and porridge-like.

Dates & Khubani Meetha (Apricot Dessert)

INGREDIENTS

Dried apricots (khubani/qubani), dates, jaggery (optional), lemon juice, grated pistachios, fresh raspberries.

METHOD

Soak dried apricots overnight. De-seed and simmer with dates in soaking water until they break down into a thick pulpy consistency. Add a touch of jaggery if needed. Finish with lemon juice. Garnish with grated pistachios and fresh raspberries.

Lime & Coconut Panna Cotta

INGREDIENTS

Coconut milk, lime zest, vegan gelling agent, dates or agave to sweeten.

METHOD

Mix coconut milk with lime zest and sweetener. Set using a vegan gelling agent in individual moulds. Chill until firm before serving.

Adrak Ka Halwa (Sugar-Free Ginger Halwa)

INGREDIENTS

Fresh ginger (adrak), jaggery or dates, ghee, almond flour or moong dal base.

METHOD

Grate fresh ginger and sauté in ghee until the raw pungency reduces. Mix with almond flour base and sweeten with jaggery or date paste. Cook on low heat until the mixture thickens into halwa consistency.

Walnut Halwa

INGREDIENTS

Ground walnuts, ghee, jaggery syrup.

METHOD

Sauté ground walnuts in ghee on low heat until aromatic. Add jaggery syrup and stir continuously until the halwa thickens and begins to leave the sides of the pan.

Badam / Lauki Ka Halwa (Almond-Bottle Gourd Halwa)

INGREDIENTS

Grated bottle gourd (lauki), almond paste (badam), jaggery, ghee, cardamom, chopped nuts.

METHOD

Sauté grated lauki in ghee until moisture evaporates and it softens. Add almond paste and cook 5 minutes. Stir in jaggery and cardamom powder. Continue cooking until the mixture thickens and leaves the sides. Garnish with chopped nuts.

Vegan Badam Halwa

INGREDIENTS

Soaked and peeled almonds, plant-based ghee or coconut oil, jaggery, crushed pistachios.

METHOD

Grind almonds into a thick slightly grainy paste. Sauté in plant-based ghee on low heat until aromatic. Add jaggery syrup and stir continuously until halwa thickens and leaves the sides. Garnish with pistachios.

Cocoa-Coconut Cream Cup

INGREDIENTS

Almond flour, thick coconut cream, pitted dates, unsweetened dark chocolate flakes.

METHOD

Blend pitted dates with a little warm water to create a paste. Whisk paste into thick coconut cream with almond flour until mousse-like. Spoon into individual cups, top with dark chocolate flakes. Chill at least 2 hours.
